**ROCK STEADY
BOXING**

These 2 gentlemen are part of the Rock Steady Boxing class. They arrive early and set up chairs for the class. They work to make sure newcomers are always welcome. Their greatest attributes are serving others and being an encouragement! Their lively wits and boyish sense of humor keep class on a positive note. Beneath the charm, they have hearts of gold.

THANK YOU, TIM & KEN!

Your kindness and commitment make our Y stronger.
