PARTNER FOR HEALTHY LIVING

YMCA of GRAND ISLAND NEBRASKA

Level 1 - Basic Corporate Membership Program

The Basic option will encourage healthy living within your company, improving morale, attendance and productivity. With the basic program, the YMCA will partner with the company to offer affordable wellness options for the employer and employees through a waived facility fee*, and reduced program fees and employee education pieces.

Level 2 - Membership Partner Program

The Member Partner Program option will encourage healthy living within your company, improving morale, attendance and productivity. When 5 or more employees join the Y, we will provide reduced membership fees to your employees. Your company commits to a dollar amount per employee that you are willing to provide towards their annual YMCA membership costs, and we will match the subsidy annually up to \$120 for an annual membership, and up to \$10 per monthly membership. Working together, we could save your employees up to \$240 on a YMCA membership each year.

Level 3 - Premium Corporate Membership Program

The Premium option will encourage healthy living within your company, improving morale, attendance and productivity! With the YMCA Premium Corporate Membership Program, we will provide reduced membership fees to your employees. When 15 or more of your employees join the YMCA, we will reduce membership cost by \$10 per monthly membership and up to \$120 for an annual membership!

Amenities

- The Y will provide the company with monthly utilization reports
- A FREE "Try the Y Week" each year
- Additional Savings on YMCA Classes and Programs
- Facility Fee Waived*
- Employee receives a FREE personal training session*
